CLUB NOTES

SAVING GRACES IN LUCKLESS SEASON

A good and well deserved North End win—the 10th of the season at Deepdale—in an exciting return game with Huddersfield Town ended a two-month run of disappointing results, in that only four points were gained from eight matches during this period. Six, however, were away from home, and we lost five of them.

Our performance against Huddersfield was the more pleasing to the 13,000 crowd because the visitors, who proved themselves a smart and capable team, had not lost any of their previous 10 games. They might have saved a point on this occasion despite North End's soundness in defence if they had finished better.

It was also gratifying to see our team fighting with more determination than on the preceding afternoon at Huddersfield, where Town did much as they pleased in winning by 3-0. In the return match enough potential was seen in both sides to suggest that both clubs will be in the running for promotion next season.

The eight-match period which ended at Huddersfield with our 15th defeat of the season was the second such spell in which little went right for North End. The earlier one, which put the club in danger of relegation following a grim succession of injuries, lasted from September 5th to November 7th inclusive.

In that time North End lost eight of 13 matches, winning only two and drawing three, with the goal scoring 20-37 in the aggregate. In the next 12 League games we scored only three more goals (23), but thanks to a considerable stiffening of the defence collected 18 points out of 24—promotion form.

CLUB NOTES – continued

The Reserves have had a somewhat similar experience. They started moderately, as was to be expected in view of the want of maturity and numerous first XI calls, winning four, drawing four and losing five of the first 13 matches. Then came four months of poorly rewarded toil and travail for our second string.

Playing 15 matches, they won one, drew one and lost 13, the last eight in succession, and the goalscoring worked out at 14-43. However, our lads have plenty of spirit and the subsequent transformation shows that they are also not lacking in skill. The match return was P. 13, W. 7, D. 1, L. 5, goals 28-23, Pts. 15.

It is a rally very much to their credit and proves that they have turned added experience to good account. As with the first team the main weakness was giving away so many goals. An all too significant fact is that in the Second Division only Newcastle, Bolton, Southampton and Derby scored more than Preston.

But on the debit side we have the melancholy record of having conceded more at the time of writing than all except the bottom club, Swansea, who have had 81 scored against them compared with 80 against North End. Following are other comparison which are self-explanatory:—

The final match of 1963-64 resulted: North End (h) 2, Northampton 1.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

Spectators, particularly our Juvenile Supporters are requested to keep off the playing area. The practice of encroaching on the pitch can lead to incidents, which could result in the closing of the ground by the Football Association.

PLEASE SEE THAT THE PLAYING AREA IS KEPT CLEAR OF SPECTATORS AT ALL TIMES.

OUR VISITORS—*Norwich City*

Today we offer a very warm welcome to Norwich City who have had an excellent season even though they found the pressure of keeping up with Newcastle and Northampton in the promotion race too severe in the end. Their consolation is that of gaining more points than in all but one of 10 seasons in Division II.

They came to Deepdale with 47 to their credit, compared with 49 in their 1960-61 promotion season: they had just come up from the new Division III with 59 points. Their record for 27 seasons in that company (mainly Division III Southern Section) is 64 points in 1950-51, but Nottingham Forest went up with 70.

Norwich City were members of the original Third Division in 1920-21, afterwards going into the Southern group and gaining promotion in 1933-34, their 14th season as a League club. As North End got back to Division I the same year our paths did not cross, and Norwich were back in Division III when we next went down.

Thus our first meeting with the club popularly known as "The Canaries" because of their yellow shirts was delayed until North End suffered relegation again in 1960-61. Our seven games with them have resulted as follows: Deepdale 2-0, 2-2, 3-0; Norwich (where we have yet to win) 0-2, 1-1, 1-2 and 2-4.

The club which proudly raised the soccer banner in Norfolk came into being in 1905 and enjoyed membership of the old Southern League, whence sprang so many of the present Football League clubs, until 1920. The record crowd for the Carrow Road ground is 43,129. Among their noted managers was Archie Macaulay.

Norwich gained considerable fame in the F.A. Cup when they knocked out Sheffield Wednesday 1908, Liverpool (away) 1909, Sunderland 1911, Tottenham 1915, Leeds (away) 1935, Liverpool 1937 and Arsenal (away) 1954, but their best feat was reaching the semi-final at the expense of Manchester United, Cardiff, Tottenham and Sheffield United in 1958-59, finally succumbing to Luton in a replay.

SUPPORTERS' CLUB NOTES

TODAY sees the close of the 1964-5 football season which, from a playing point of view, has been so disappointing in the results obtained after the rich promise of the previous season.

It would not seem possible, however, that next season can be ill fated as this one for injuries and the results must benefit.

Your support has been well appreciated, and it must have given the players encouragement to see loyal bands of Supporters' Club members at grounds as far apart as Newcastle and Portsmouth.

We look forward to seeing you all again next season, but you can continue to support North End throughout the summer months by using the Supporters' Club for your weekly social entertainment. It will be open as usual and all the regular events will continue.

CABARET NIGHT on Tuesday, May 4th will feature the Sonny Jones road show. Among the artistes to appear are Sonny Jones, B.B.C. radio star, who is the compere and comedian, and has just finished a week at the Astor Club, London; Jackie Owen and Tommy Smith from B.B.C.'s "Old Tyme Music Hall" with their own brand of instrumental comedy; Freddie Gorless of B.B.C. T.V. fame, the celebrated song and dance man; and Doreen McElroy the soprano who has just finished playing Nellie Forbush in *South Pacific* at the Royal Court Theatre, Liverpool.

Tickets for this event are on sale in the Supporters' Club at 2/6 each to members and the supply is strictly limited.

LANCASHIRE LEAGUE—DIVISION ONE

North End 'A' 0 v. Blackburn Rovers 'A' 2

Blackburn playing with a strong wind in their favour and using the long ball down the middle had the North End defence at full stretch for most of the first half. Rovers took the lead in the 35th minute after a goal-mouth scramble. In the second half North End were an inspired team moving the ball on the ground and dominated this half. Only brilliant goalkeeping kept them from going well in front. In a break-away in the closing minutes Blackburn increased their lead with a goal that the home defence should have cut out.

LANCASHIRE LEAGUE—DIVISION TWO

North End 'B' 2 v. Blackburn Rovers 'B' 3

A strong Rovers side were given an early lead when Crabtree failed to cut out a left wing centre. Within fifteen minutes Rovers had increased their lead to 3 goals as a result of good finishing by the forwards. North End fought back but lacked the necessary finishing strength. In the second half North End took command and Mullen scored a well taken goal. A shot from outside right Wilbion hit the bar with the goalkeeper well beaten. With 20 minutes left Mullen scored a second goal and narrowly missed his hat trick when his header went just outside the post. The match finished with North End well on top and being unlucky not to equalize.

SUPPORTERS' CLUB NOTES—continued

SEASON TICKETS for 1965-66: Following the success of last summer's savings scheme to assist members in purchasing season tickets the venture will be renewed for next season. Payments can be made weekly on Friday evenings between 7.15 and 10.0 starting on April 30th.

ON EASTER SUNDAY the football team was defeated 4-1 by Willington Nomads in an entertaining match fought out in blustery conditions which made the spectators feel that it was mid-winter. Fighting against the wind in the second half the Supporters could muster only a solitary goal by John Catterall but went close on several occasions. The opposition admitted that the result flattered them.

MEMBERS should note that their subscriptions will fall due before next season starts, inasmuch as present memberships expire on July 31st regardless of when they were taken out.
